COMPATIBLE WITH STS, S-SERIES AND X-SERIES COMBINES

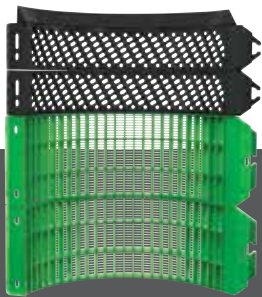

KONDEX[®] REVOLUTION[™] CONCAVES

KondeX Revolution Concaves' design is made exclusively for John Deere by KondeX. They are designed to shine in tough threshing conditions, such as green stemmed and tough threshing beans, tough to thresh pods and higher moisture crops. Their half-width size makes them lighter and easier to install and change out. And the laser-cladding process applies high wear-resistant tungsten carbide to each threshing bar making them long lasting, even in harsh field conditions.

POPULAR BUNDLES

Small Grain Bundle

KondeX Revolution 2pc BXE11144 Bundle
(2) John Deere OEM Small Wire BXE10389

KondeX Revolution Concaves are available in 3 designs:

KONDEX REVOLUTION MAXTHRESH:

- Reduce whitecaps without concave covers to increase threshing capacity at lower power consumption
- Features flat grate segments with oval openings and raised/angled interrupter bars

KONDEX REVOLUTION MAXROUND:

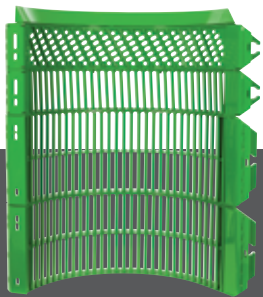

- Threshes well on tough crops like green-stem soybeans
- Increases total capacity at lower power consumption for crops such as high-moisture corn
- Features round-bar, angled-grate combination

KONDEX REVOLUTION SMALL SLOT:

- Features narrow, evenly spaced slots that hold crop longer for toughest threshing conditions
- Ideal for use on crops like durum and spring wheat
- Use interchangeably with MaxThresh Concave in coarse grain crops such as corn and soybeans

Coarse Grain Bundle

KondeX Revolution 2pc BXE11145 Bundle
(2) John Deere OEM Round Bar BXE10387

**When you buy hand tools
from John Deere,**

you can be assured you'll get the best value for your investment. John Deere offers a wide variety of hand tools to meet the needs of the do-it-yourselfer and the professional. The combination of great price and professional quality makes John Deere hand tools a truly outstanding value.

Whether you're shopping for your home or business, you can be assured that what you are getting has been manufactured to the highest degree of quality possible, by a team of people who are committed to excellence. Your partner, Grossenburt, will deliver unmatched customer service and support for the life of your unit.

AIR COMPRESSORS

John Deere air compressors feature a wide range of horsepower and capacity to suit your needs. From air wrenches to drills, grinders and paint guns, this powerful tool makes for the perfect addition to any shop.

COMBINATION UNITS

Compressorators™ and Welderators™ are a perfect combination for any industrial application that requires electrical power and air power or the ability to weld, all in one unit.

GENERATORS

In this part of the country, a backup generator can be a lifesaver. John Deere generators provide backup electrical power for small and large property owners, businesses, and contractors.

HAND & AIR TOOLS

John Deere offers a wide variety of hand tools to meet the needs of the do-it-yourselfer and the professional. The combination of great price and professional quality makes John Deere hand tools a truly outstanding value.

PRESSURE WASHERS

Clean like you mean it with a wide variety of light to heavy duty pressure washers. Our heavy-duty frame ensures that our washers won't vibrate and cause premature wear and tear.

PORTABLE HEATERS

John Deere heaters, pumps & vacuums are designed and built to be exceptionally durable and easy to transport in the back of your truck from one site to the next.

SAFES

You can't put a price on safety. That's why John Deere security safes are truly priceless. Each has a lifetime repair or replacement warranty against break-in, attempted break-in, and fire damage.

TOOL STORAGE

Keep your tools organized and secure with John Deere tool chests, truckboxes and jobsite boxes. They feature rugged design, heavy-duty construction, easy-lifting lids and locks to keep your tools safe.

WORKSHOP SUPPLIES

Don't leave yourself hanging. Stock up on work lights, handy towels and professional-grade extension cords so you can focus on the job at hand.

CHOOSE YOUR LEVEL OF PARTS

We know you have a choice when it comes to equipment. That's why we offer choices when it comes to the parts your equipment needs. Let our selection be your guide.

CHOOSE FROM:

BEST

JOHN DEERE

Designed and tested by John Deere specifically for your equipment—your best choice for performance and reliability.

BETTER

**JOHN DEERE
REMAN**

A like-new solution at a lower price. Components are replaced or remanufactured to meet our Original Equipment Manufacturer (OEM) specifications.

GOOD

a&i products

An economical repair option for John Deere models or mixed fleet equipment.

NEW DIESEL FUEL CONDITIONERS
AVAILABLE NOW!

DIESEL FUEL CONDITIONER	
TY27925	32 OZ
TY27926	1 GALLON
TY27927	5 GALLONS

What's New?

Reformulated with upgraded detergent technology to ensure the fuel systems in all your diesel engines remain clear of deposits that can harm performance and components. New formulation is 2.5x more effective in cleaning up engine deposits compared to previous generation.

What you can expect...

- Prevents deposits and cleans fuel system
- Increased cetane for faster starts and engine performance
- Lubricity improver prevents fuel pump and injector wear
- Fuel stabilizer for longer storage
- Improves oxidative and thermal stability preventing fuel breakdown in HPCR engines
- Formulated for FT4 and older equipment

COLD WEATHER DIESEL FUEL CONDITIONER	
TY27928	32 OZ
TY27929	1 GALLON
TY27930	5 GALLONS

All the same benefits of Diesel Fuel Conditioner with the addition of:

- Improved winter operability
- De-icer – prevents fuel lines from freezing
- Includes “blue stripe” on label for easy identification

WE'RE EQUIPPED TO KEEP YOUR OPERATION
RUNNING STRONG

- 21 full-time road service trucks
- 11 semi-trucks with multiple trailers for bringing equipment to and from the farmsite/field for in-shop repairs
- 5 pickup trucks/trailers for bulk oil and antifreeze delivery
- 4 full-service radiator repair locations
- 1 semi-truck/trailer for bulk oil pickup and delivery to our stores
