## BELTS & BELTING

A&I Products' inventory includes more than 7,000 belt numbers for over 75,000 Ag, Lawn & Garden, Industrial, Automotive, Combine, Baler, Swather and more.

## HAY TOOL PARTS

A&I Products has a long list of parts for the hay season. That list continues to grow daily.

## IGNITION & ELECTRICAL PARTS

A&I Products' inventory includes a large variety and number of electric parts.

# BATTERIES

## BATTERIES FOR ALL APPLICATIONS

Consider John Deere your one-stop shop for batteries. We offer choice when it comes to batteries. John Deere StrongBox Original Equipment is our premium-quality battery that meets the original factory specifications for all John Deere equipment. John Deere StrongBox Standard-Duty is an alternative lower-specification battery that is comparable to most competitive brands in the market today. We also offer a full line of accessories including cables, terminals, corrosion-prevention products and more. And, when a battery wears down, our battery chargers will have you up and running in no time.

# DIESEL FUEL CONDITIONER

## NEW DIESEL FUEL CONDITIONERS AVAILABLE NOW!

### DIESEL FUEL CONDITIONER

TY27925	32 OZ
TY27926	1 GALLON
TY27927	5 GALLONS

### What's New?

Reformulated with upgraded detergent technology to ensure the fuel systems in all your diesel engines remain clear of deposits that can harm performance and components. New formulation is 2.5x more effective in cleaning up engine deposits compared to previous generation.

### What you can expect...

- Prevents deposits and cleans fuel system
- Increased cetane for faster starts and engine performance
- Lubricity improver prevents fuel pump and injector wear
- Fuel stabilizer for longer storage
- Improves oxidative and thermal stability preventing fuel breakdown in HPCR engines
- Formulated for FT4 and older equipment

### COLD WEATHER DIESEL FUEL CONDITIONER

TY27928	32 OZ
TY27929	1 GALLON
TY27930	5 GALLONS

### All the same benefits of Diesel Fuel Conditioner with the addition of:

- Improved winter operability
- De-icer – prevents fuel lines from freezing
- Includes “blue stripe” on label for easy identification

# PARTS LEVELS THROUGH OEM, REMAN, AND A&I

## CHOOSE YOUR LEVEL OF PARTS

We know you have a choice when it comes to equipment. That's why we offer choices when it comes to the parts your equipment needs. Let our selection be your guide.

### CHOOSE FROM

#### BEST

**JOHN DEERE**

Designed and tested by John Deere specifically for your equipment—your best choice for performance and reliability.

#### BETTER

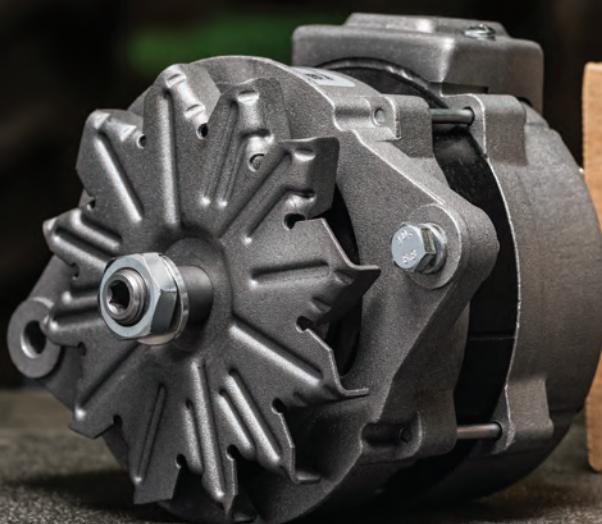

**JOHN DEERE  
REMAN**

A like-new solution at a lower price. Components are replaced or remanufactured to meet our Original Equipment Manufacturer (OEM) specifications.

#### GOOD

An economical repair option for John Deere models or mixed fleet equipment.

# TWO CONNECTED RESOURCES.

## EQUIPMENT MOBILE

The equipment manager  
in your pocket.

### Easy Setup:

Syncs your fleet from your John Deere account. Add new equipment instantly by scanning its barcode with your mobile device.

### View Parts Diagrams, Shop & Order Parts:

Quickly look up diagrams, confirm the right part and order straight from your phone.

### Digital Manuals:

Search, view, and download operator's manuals instantly—no bulky books, always at your fingertips (even offline).

### Factory Maintenance Plans:

Step-by-step instructions, part numbers and record service completion.

### Optimize Setup:

Access step-by-step guides, tips and how-to videos to get the most out of your equipment.
